

BODY MASSAGES

*A **massage** has become a medical treatment we all need to be able to do our everyday tasks. It stimulates blood circulation and collagen and elastin production, helps body detoxification, regulates fat cells formation, removes cellulite etc.*

WELLNESS MASSAGES

75 min 90 €

Hvar paradise

A relaxing massage therapy by candlelight and ambient music. Enjoy the experience of connecting with the Earth and its energy.

Chocolate body massage

Awaken your senses and give your skin a fresh look!

Hvar plants massage

A massage technique based on natural plants. It improves the blood flow and gives the skin a healthy and fresh glow. It relaxes the muscles, wiping the worried and tired expression off your face.

Hot stone massage

The experience begins with a full body massage with essential oils of the client's preference with drainage and a stimulation effect, followed by a hot stone massage which helps dilate capillaries, entices lymph flow and has drainage and detox effects.

HEALTHY MASSAGES

60 min **80 €**

30 min **50 €**

Sports body massage

A massage which helps improves your physical abilities during training or increased exertion, given before, during or after them.

Lymphatic drainage

A gentle form of massage used to relieve painful swelling in your arms and legs caused by lymphedema.

SWEDISH MASSAGES

60 min **80 €**

45 min **60 €**

30 min **45 €**

Medical body massage

A physical therapy method based on a series of systematic movements along the body with the goal of manipulating body tissue (skin, subcutaneous tissue, muscles and muscle fascia).

Aroma relax

The experience starts with a full body massage with essential oils of the client's preference with drainage and stimulation effects.

Made for mom

A massage for pregnant women with natural almond oil.
